Velocity scatter plot

Mid latitude radars (fitacf) – 15/Jan/2012

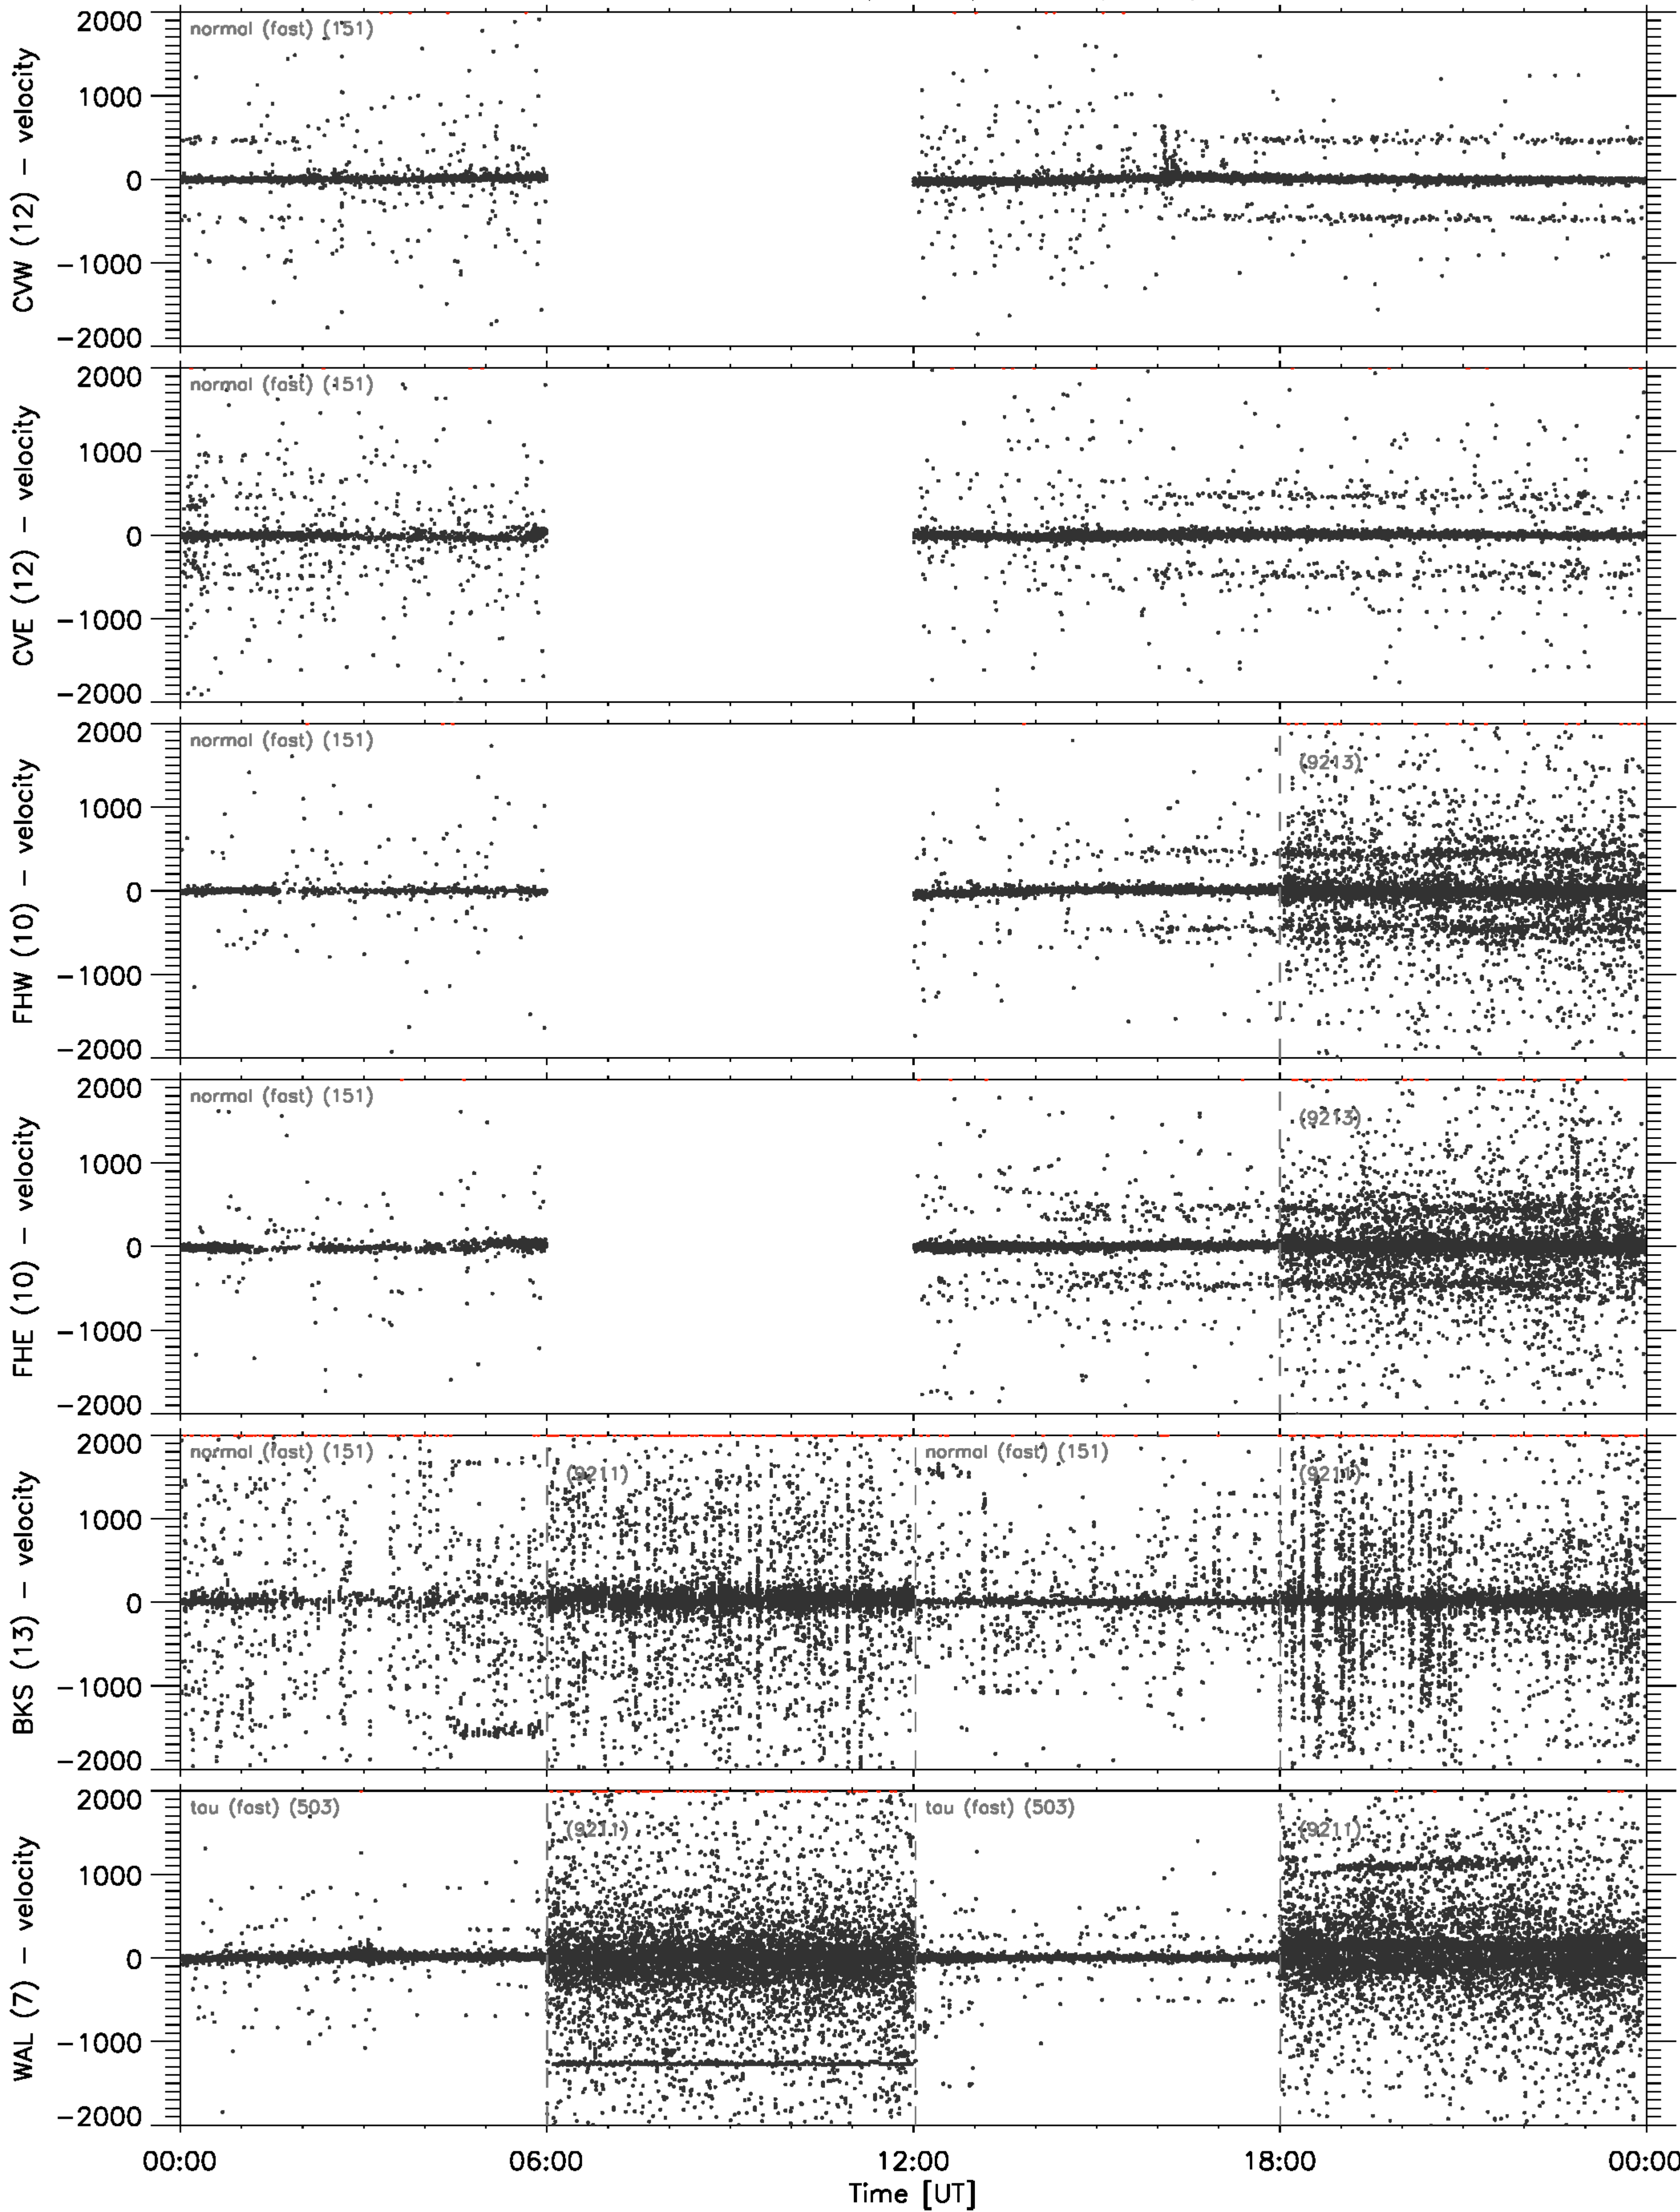

Figure 1 is a horizontal timeline diagram. It consists of a long horizontal line with vertical tick marks every 10 seconds. The timeline is divided into three sections by vertical dashed lines. The first section, from 0 to 1 minute, is labeled 'Common Time (1-min)'. The second section, from 1 to 2 minutes, is labeled 'Special Time [see note 1]'. The third section, from 2 to 3 minutes, is labeled 'Common Time (1-min)'. Below the entire timeline, the word 'Schedule' is centered.
